### Hungry Shark Subtraction

You need the subtraction shark mat below and goldfish crackers. Tell your child how many fish to put in the ocean. (Pick a number from 5-10). Next tell your child the shark is hungry and tell them how many fish to place in the shark's tummy. Have them count to find out how many fish are still in the ocean.

Repeat with other numbers

### Wellness Wednesday

#### Skyview Gives Back

You can do something kind for someone else. Try to find your own way to be helpful today.

Share with your teacher by sending a picture or writing about what you did to help someone else.

### Sight Words
