

Eastwood Elementary Student Drop-Off Map

Upon entering the school parking lot, stay right and proceed to the student unloading area by traveling through the large parking lot to the right of the school. Enter the staff parking lot via the far right lane. Proceed, in a single lane, around the outer lanes of the staff parking lot. The new loop is open. Do NOT enter or exit through the middle lane. Designated staff will direct you. Students will be unloaded, through the right side of vehicle, along the sidewalk near the front of the school. All students will enter through the front doors of the school.

The loop is OPEN!
Please use this loop during student drop-off and pick-up. This will allow us to accommodate additional cars.
