

**STUDENT PARKING AGREEMENT**  
**2021-2022**

1. Student parking spaces are designated by white lines. Parking spaces with yellow lines and numbered are assigned to MHS Faculty/Staff. **Students who park in a faculty/staff space will be subject to towing without warning.**
2. Student(s) (and passengers, if applicable) must report directly to the building upon arrival to school. Students will not be in the parking area at anytime during the school day.
3. Litter is to be placed in appropriate receptacles, even if this means carrying the litter from the parking lot to the receptacles provided on the main campus area.
4. A student must have written verification from the principal should there be a need to go the parking area during the school day. Teachers and other staff are not to permit students to go to the parking lot. Discipline will result for non-compliance. **Students must check out at office to parking lot.**
5. **Parking stickers do not guarantee a space. Stickers may be revoked by an administrator.**
6. Attendance and tardies will count. Not being able to find a space is not an excuse for being late to school/class. This will be an unexcused absence/tardy.
7. Parking privileges may be revoked for parking infractions; attendance; tardiness; and / or behavior, etc., without refund of fee. This includes reckless driving, speeding, racing, etc.
8. Smoking is prohibited in the area at all times (including passengers).
9. **All parking stickers require a \$30.00, non-refundable fee** and must be purchased on School Cash Online. To register, go to the School Cash Online home page at [monongalia.schoolcashionline.com](http://monongalia.schoolcashionline.com). Step by step instructions can also be found on the Morgantown High Website.
10. Permits must be displayed in the front windshield above the WV state inspection sticker at all times. Permits are to be placed on the inside.
11. Blocking cars, exits/entrances, roadways, emergency gates and entrances/exits is not permissible. This would be disruptive to the instructional program should the vehicle need to be moved. You will be subject to towing without notice and at your own expense. Students will not be permitted to leave class to go to the parking lot due to towing. Leaving class to deal with parking issues will result in disciplinary action and revocation of parking privileges.
12. Vehicles parked in an area/space not designated for student parking will result in towing at the owner's expense. No warning will be issued. **Students will not be permitted to leave class for towing issues.**
13. Permits are not transferable. Permits obtained under false pretenses will result in revocation.
14. Students are urged not to bring valuables to school or to leave them in their car. The school is not responsible for acts of vandalism, theft, or damage. Liability for these issues continues to be the responsibility of the vehicle owner and the student. Do not invite theft or vandalism. Always lock your car.

# STUDENT PARKING AGREEMENT

## 2021-2022

I/We have read and understand the guidelines and agree to abide by them. We, further understand that Morgantown High School assumes **NO LIABILITY** for damage, theft, or vandalism of vehicles and/or belongings. We also understand that towing charges will be at the owner's expense.
